

In calculating the height of a building, any construction used as ornament or for the mechanical operation of the building, such as a mechanical penthouse or a chimney, tower, cupola, steeple or antenna, or silo, is not to be included (see diagram).

**3.31 Building Line**

Means any line regulating the position of a building or structure on a lot.

**Building, Main - See Building**

**3.32 Building Separation**

Means the least horizontal distance permitted between the nearest portion of any detached buildings on a lot.
